QUALITY. COURTESY. SERVICE.

The Spirit of Friendship.

This store looks upon its patrons not merely as customers but as friends. People purchase here because they have friendly feeling for this store.

The cause which develops this friendly feeling, may differ, in fact, they are sure to differ. One's friendship for the store is the result of finding good values; another's is the result of efficient service and courteous treatment, and so on.

Naturally this friendly feeling on the part of our patrons is reciprocated on our part. And this spirit of mutual friendship is an impetus for greater service and an incentive to ever-increasing endeavor to make this store a place where every visitor will feel perfectly at home.

DEMANDS AID FOR VETERANS.

Senator Ashurst's Amendments Are Turned Down.

Washington, Dec. 24.—Senator Ashurst, Democrat, Arizona, warned members of congress today that unless immediate and adequate appropriation is made to care for sick and disabled former service men, he would inaugurate a single handed campaign "against the men who have disregarded the public interest."

The senator's statement was made when the Russian relief bill was returned to the senate after the house had declined to accept two senate amendments, both introduced by Senator Ashurst. One would have appropriated \$500,000 for the hospitalization of the former service men in Arizona, and the other \$100,000 was for use in relieving unemployment.

Washington, Dec. 24.—Three plans for raising revenue to pay a soldier bonus will be laid before the Ways and Means Committee of the House when Congress convenes on January 3, with the expectation that a compensation bill will be framed before February.

Members of the committee, it was learned today, have reached the conclusion that any bonus bill submitted to the House must carry its own levies to meet the obligation which it creates.

With this in mind the following plan will be offered:

First—Manufacturers' and business sales tax.

Second—Special tax on legalized sales of non intoxicating beers and wines.

Third—Receipts from a special bond issue based on the refunding of foreign loans.

Chairman Fordney of the committee, has always favored the manufacturers' sales tax to raise the money for a cash bonus on the basis of \$1 a day, with a maximum of \$625 for overseas service and of \$500 for service in the United States.

YUMA, ARIZONA, ORANGES.

We are indebted to Col. J. H. Westover, publisher of the Yuma Sun, for a fine box of Yuma oranges and grape fruit, from the Yuma Mesa Orange Ranch, which arrived yesterday with the Colonel's Christmas greetings.

During the recent Arizona Daily Newspaper Association's convention at Nogales, Colonel Westover invited the publishers to meet with him next year, promising them he would show them a portion of Arizona's development they have never seen before, and where oranges and citrus fruit grow that excel by far the California product. In fact, the Colonel stated, he would mail each publisher present a box of the fruit to convince them of his claims.

California, he said, is putting the Yuma citrus products in her best hotels and labeling them as California's, which goes to prove, we opine, that the native sons will do anything to boost California, no matter at whose expense.

The Colonel was right when he said that Yuma's citrus products far exceeded those of California, for never before have we sampled an orange from California that had the flavor and the body that those Yuma oranges contain, and we look forward to trip to Yuma as the Colonel's guest during the next convention, where we are promised that we will be shown some "Arizona country we have never seen before"—for the Colonel always makes good his promises.—Prospector.

Friday night or early Saturday morning the small valve connected with the pipe line of C. B. Wilson's large oil tank was opened and before it was discovered thousands of gallons of oil had drained out on the hillside. It is not known how the valve was opened. The loss is said to have been more than \$500.00.—Patagonian.

PATAGONIA.

Interesting News Items Clipped From the Patagonian.

An aeroplane, said to have been piloted by Banning Vail, of the Empire Cattle Ranch, passed over town Sunday.

C. L. Northcraft delivered cattle to Calabasas, Monday, to be included with the shipment going out from that point.

The Domino mine, at Gray Camp, one mile west of the 3 R Mines has been leased by Eugene and Lewis Greenwood.

H. J. Gray, from the Domino mine, was here on business last Tuesday. Much ore has been shipped from this property.

At one of the rocky points on the San Rafael valley road, the rock is being removed and the road widened. Two cars can easily pass at this point.

James Parker, who takes care of the roads around Washington Camp, was here Tuesday. The roads in his district are said to be in excellent condition.

W. E. Leek, of Leek Camp, was in town Wednesday. Mr. Leek is interested with William Fessler, the local barber, in a mining claim on the Harshaw road.

Mr. and Mrs. Francis Smith, who have been living on a ranch east of town, moved to Tucson this week. They will be interested in the dairy business near Tucson.

C. B. Wilson, local transfer man, was in Tucson this week. Mr. Wilson made the trip in one of his large trucks, carrying forty milk goats from this place to a ranch near Tucson.

The members of the County Highway Commission were in the Patagonia district Sunday. The purpose of the visit was to inspect the roads which are being built in this section.

The members of the Patagonia Bridge Club were delightfully entertained in the parlors of the Commercial Hotel Friday evening. Mrs. E. D. Farley being hostess. Mr. and Mrs. J. P. Lawson, of Harshaw, were guests of the club.

The school bazaar and entertainment at the school house Saturday night was a decided success in every way. A large crowd attended. Articles made by the students were on sale and refreshments were served. The musical program was very entertaining and much applause greeted the performers.

ANOTHER PIONEER GONE.

On Tuesday afternoon (Dec. 20) there passed away at the Tucker ranch in the lower Yuma Valley, at the age of 67 years, a noble Arizona pioneer woman, Mrs. Martha Tucker Poston, widow of Col. Charles D. Poston, Arizona's first delegate in Congress.

Mrs. Poston, then Miss Mattie Tucker, came to Arizona in 1876 and in that year taught school at Mineral Park in Mohave county.

Since that time she has been intimately associated with the progress of Arizona.

Of late years, Mrs. Poston has been active as a worker in the propagation of the Christian Faith as a member of Seventh Day Adventists.—Yuma Sun.

POSTPONE FOREIGN DEBTS.

Washington.—The senate finance committee has approved the funding of the \$11,000,000 debt owed the United States by foreign governments into obligations maturing not later than June 15, 1947, and bearing not less than 5 per cent interest.

This means that the debts will be postponed for 26 years and that they will bear at least 5 per cent interest. The senate committee accepted that part of the house bill which provides that no part of either the principal or interest of any debt can be cancelled, and the bonds of one government can not be accepted in payment of the debts of another government.

NEW ORGANIZATION FORMED.

Sportsmen of Arizona Will Protect Game and Fish.

Florence, Arizona, Dec.—Preliminary organization of the Arizona Fish and Game Association was effected by 25 sportsmen from different parts of the state at a meeting held in the Repre- sio Shooting Association' lodge near Florence. Conservation of game and fish in Arizona will be its main object.

Officers were elected and committees appointed, among them one on constitution and by-laws which will complete organization details. Lawrence D. Clark, of Bisbee, was elected chairman of the association with J. E. Thompson, of Phoenix, vice chairman and W. L. Pinney, of Phoenix, secretary treasurer. The following committees were appointed:

Executive—Lawrence D. Clark, W. L. Pinney, F. J. Elliott, Phoenix; J. E. Thompson and Fred Colter, of Colter.

Constitution and by laws—F. Sutter, Bisbee; F. J. Elliott and B. F. Thum, of Florence.

Legislative—T. G. Norris, of Prescott; R. D. Kennedy, Globe; F. J. Elliott, Dr. W. J. Randall, of Florence, and W. L. Pinney, of Phoenix.

Although the organization is not yet three days old, applications for membership already are being received by Mr. Pinney.

A nominal membership fee will be charged and the aims of the association are expected to develop a membership including practically every sportsman in the state. Application for membership should be made to Mr. Pinney, who will be reached in the Pinney & Robinson sporting goods store in Phoenix.

Cooperation of all state sportsmen in advocating more fish hatcheries, game farms and increased propagation of game and fish is the big thing the association hopes to accomplish. The new officers stated that efforts also will be made to obtain such changes in the state game laws as best will serve the interest of the sportsmen and increase the game and fish supply.

ARIZONA WEEKLY INDUSTRIAL REVIEW.

(December 26, 1921)

Buy something made of copper and help in the reopening of western copper mines and the re employment of tens of thousands of workmen.

Globe—Operations to be resumed on Atlantis mine.

Kingman—Dundee - Arizona Copper Co. may resume operations about Jan. 1.

Prescott—Rich gold strike on Golden Eagle mine. Plans being made for development of new discovery.

Kingman—Katherine mines plan development. Powerful machinery to be installed.

Willcox—Approximately 9,000 head of cattle shipped during November.

Elgin—Santa Cruz county men sinking well in local field.

Arizona leads in state production per acre of grain sorghums.

Phoenix—Santa Fe R. R. appropriates \$25,000 for construction of Cave Creek dam.

Oatman—Work at the Teluride mine to start, \$100,000 worth of ore in sight.

Douglas—Resumption of copper smelter about Feb. 1, rumored.

Holbrook—Construction of Taylor rig completed, drilling machinery to be installed.

Phoenix—Robert E. Lee highway to be routed through Yuma and Imperial Valley to San Diego, Calif.

Oatman—Ore running up to \$100 a ton opened on Woods and Moore claims.

Holbrook—Zuni Oil Co. planning to drill to lower oil sands.

Phoenix—State treasurer receives \$269,000 check for construction of post roads.

Chandler to build cut off to state highway near Sand Tanks. Jerome—United Verde Extension to start drifting on 1700 ft. level.

Oatman—Oatman United taps big ore vein at depth.

Phoenix—Arizona and New Mexico railroad to be taken over by El Paso and Southwestern.

Clifton—Phelps Dodge Corporation to spend \$12,000,000 developing properties in district.

Mesa—Mesa Tribune resumes issuance of daily paper except Sunday.

Phoenix—The Phoenix Tempe highway closed since Oct. 12th, again open to public.

Oatman—Adams mine sinking shaft to 200 level.

Kingman—Inspection of the Nancy Lee mine discloses rich ore values.

Nogales—Mexican government to substantially modify import duties.

Rodeo—Improvements under way to Stein's Pass.

Douglas—Highway east of town to be repaired.

Safford—Good Roads Association launches campaign for proposed Central Highway.

Tucson—University of Arizona Holstein cow establishes new state record for production of milk and butter fat.

Chandler receives first carload of Ford ever shipped into town.

Yuma orders new fire truck and 1,000 feet of hose.

If automobile drivers kept one hundredth part as close look out for trains as engineers do for automobiles, the record of accidents would be greatly diminished.

WILL AID CATTLE GROWERS.

Phoenix.—Announcement has been made by the Arizona Cattle Growers' Association of further relief that will be granted in meritorious cases of those users of the National Forests who have been unable to pay their grazing fees on December first, the time limit heretofore set by congressional legislation.

To many of the cattlemen of Arizona who graze their stock on the National Forests it has been impossible, in view of their deplorable condition from drought and lack of market, to pay the fees which were first due last April, and through the efforts of the Cattlemen's Association the time of payment was postponed twice, finally to December 1st. The first of December found many of them with a greater inability to meet this obligation, and the Association has been endeavoring either to have the time of payment again postponed or to avoid the penalties regularly enacted by reason of non-payment.

In telegraphic information received from Senator Ashurst, it is stated that Senator Ashurst, Representative Hayden, Governor Thomas E. Campbell and Dwight B. Heard had an extended interview with the Secretary of Agriculture on this matter, pointing out that many honest industrious cattlemen in Arizona, through no fault of their own, were not in position to pay these fees at this time and unless the fees were extended, these men would be ruined.

Rather than enacting further legislation in this matter the Secretary of Agriculture has kindly issued instructions to the various Forest Supervisors, directing them to accept promissory notes from those permittees on the Forests who have been unable to pay the grazing fees, in all cases where the good faith of the permittee was evident.

The Arizona Cattle Growers' Association has requested interested cattlemen to make tender of their notes to the Forest Supervisors, and failing to secure proper recognition, to take the matter up with the Association's offices at Phoenix.

NOTICE.

The annual meeting of the stockholders of The Nogales National Bank will be held in its offices at Nogales, Arizona, on Tuesday, January 10th, 1922, at four p. m., for the purpose of electing a board of directors for the ensuing year and for the transaction of other legitimate business that may come before the meeting.

FOSTER WRIGHT,
12 17 ft CASHIER.
